Where the Shipper or subsequent Sellers serves the notice of appropriation on the Selling Agent, such Selling Agent may serve notice of appropriation either direct to the Buyers or to the Brokers.

Unless otherwise agreed, final settlement shall be made on the basis of gross delivered weights at time and place of discharge at Buyers' expense. If the place of destination is outside the port limits, Buyers agree to pay the extra expenses incurred by Sellers or their agents for weighing. No payment shall be made for increase in weight occasioned by water and/or oil during the voyage. If final at time and place of loading, as per Gafta registered superintendents' certificate at Sellers' choice and expense, the Deficiency Clause will not apply.

16. DEFICIENCY

17. SAMPLING, ANALYSIS AND CERTIFICATES OF ANALYSIS

(b) Insurers - The insurance to be effected with first class underwriters and/or companies who are domiciled or carrying on business in the United Kingdom or who, for the purpose of any legal proceedings, accept a British domicile and provide an address for service of process in London, but for whose solvency Sellers shall not be responsible.

(c) Insurable Value - Insured amount to be for not less than 2% over the invoice amount, including freight when freight is payable on shipment or due in any event, ship and/or cargo lost or not lost, and including the amount of any War Risk premium payable by Buyers.

(d) Freight Contingency - When freight is payable on arrival or on right and true delivery of the goods and the insurance does not include the freight, Sellers shall effect insurance upon similar terms, such insurance to attach only as such freight becomes payable, for the amount of the freight plus 2%, until the termination of the risk as provided in the above mentioned clauses, and shall undertake that their policies are so worded that in the case of a particular or general average claim the Buyers shall be put in the same position as if the C.I.F. value plus 2% were insured from the time of shipment.

(e) Certificates/Policies - Sellers shall give all policies and/or certificates and/or letters of insurance provided for in this contract, (duly stamped if applicable) for original and increased value (if any) for the value stipulated in (c) above. In the event of a certificate of insurance being supplied, it is agreed that such certificate shall be exchanged by Sellers for a policy if and when required and such certificate shall state on its face that it is so exchangeable. If required by Buyers, letter(s) of insurance shall be guaranteed by a recognised bank, or by any other guarantor who is acceptable to Buyers.

(f) Total Loss - In the event of total or constructive total loss, or where the amount of the insurance becomes payable in full, the insured amount in excess of 2% over the invoice amount shall be for Sellers' account and the party in possession of the policy (ies) shall collect the amount of insurance and shall thereupon settle with the other party on that basis.

(g) Currency of Claims - Claims to be paid in the currency of the contract.

(h) War and Strike Risks Premiums - Any premium in excess of 0.50% to be for account of Buyers. The rate of such insurance not to exceed the rate ruling in London at time of shipment or date of vessel's sailing whichever may be adopted by underwriters. Such excess premium shall be claimed from Buyers, wherever possible, with the Provisional Invoice, but in no case later than the date of vessel's arrival, or not later than 7 consecutive days after the rate has been agreed with underwriters, whichever may be the later, otherwise such claim shall be void unless, in the opinion of Arbitrators, the delay is justifiable. Sellers' obligation to provide War Risk Insurance shall be limited to the terms and conditions in force and generally obtainable in London at time of shipment.

(i) Where Sellers are responsible for allowances or other payments to Buyers under Rye Terms or other contractual terms, (and which risks are also covered by the insurance provided by Sellers), the Buyers, on receipt of settlement, shall immediately return to Sellers the insurance documents originally received from them and shall, if required, subrogate to Sellers all right of claim against the Insurers in respect of such matters.

19.2 For Contracts Concluded on C & F/C&FFO terms Buyers shall be responsible for obtaining insurance cover as per Clause 19.1 above and shall, if required by Sellers, provide evidence to Sellers prior to the commencement of loading that they have obtained suitable cover. If Buyers refuse or fail to provide evidence Sellers are entitled (but not obliged) to cover insurance on the same terms at the Buyers' expense.

20. PREVENTION OF SHIPMENT

"Event of Force Majeure" means (a) prohibition of export or other executive or legislative act done by or on behalf of the government of the country of origin or of the territory where the port or ports named herein is/are situate, restricting export, whether partially or otherwise, or (b) blockade, or (c) acts of terrorism, or (d) hostilities, or (e) strike, lockout or combination of workmen, or (f) riot or civil commotion, or (g) breakdown of machinery, or (h) fire, or (i) ice, or (j) Act of God, or (k) unforeseeable and unavoidable impediments to transportation or navigation, or (l) any other event comprehended in the term "force majeure".

Should Sellers' performance of this contract be prevented, whether partially or otherwise, by an Event of Force Majeure, the performance of this contract shall be suspended for the duration of the Event of Force Majeure, provided that Sellers shall have served a notice on Buyers within 7 consecutive days of the occurrence or not later than 21 consecutive days before commencement of the shipment period, whichever is later, with the reasons therefor.

If the Event of Force Majeure continues for 21 consecutive days after the end of the shipment period, then Buyers have the option to cancel the unfulfilled part of the contract by serving a notice on Sellers not later than the first business day after expiry of the 21 day period.

If this option to cancel is not exercised then the contract shall remain in force for an additional period of 14 consecutive days, after which, if the Event of Force Majeure has not ceased, any unfulfilled part of the contract shall be automatically cancelled.

If the Event of Force Majeure ceases before the contract or any unfulfilled part thereof can be cancelled, Sellers shall notify Buyers without delay that the Event of Force Majeure has ceased. Sellers shall be entitled, from the cessation, to as much time as was left for shipment under the contract prior to the occurrence of the Event of Force Majeure. If the time that was left for shipment under the contract is 14 days or less, a period of 14 consecutive days shall be allowed.

The burden of proof lies upon Sellers and the parties shall have no liability to each other for delay and/or non-fulfilment under this clause, provided that Sellers shall have provided to Buyers, if required, satisfactory evidence justifying the delay or non-fulfilment.

21. NOTICES

(a) All notices required to be served on the parties pursuant to this contract shall be served in legible form by E-mail, or by other mutually recognised electronic method of rapid communication, always subject to the provision that if receipt of any notice is contested, the burden of proof of transmission shall be on the sender who shall, in the case of a dispute, establish, to the satisfaction of the arbitrator(s) or board of appeal appointed pursuant to the Arbitration Clause, that the notice was actually transmitted to the addressee.

(b) In case of resales/repurchases, all notices shall be served without delay by sellers on their respective buyers or vice versa, and any notice received after 1600 hours on a business day shall be deemed, for the purpose of passing onto their sub buyers and sub sellers, to have been received on the business day following.

(c) A notice to the Brokers or Agent shall be deemed a notice under this contract.

22. NON-BUSINESS DAYS

Saturdays, Sundays and the officially recognised and/or legal holidays of the respective countries and any days, which Gafta may declare as non-business days for specific purposes, shall be non-business days. Should the time limit for doing any act or serving any notice expire on a non-business day, the time so limited shall be extended until the first business day thereafter. The period of shipment shall not be affected by this clause.

23. PRO RATA

(a) Should any of the above mentioned quantity form part of a larger quantity of the same or a different period of shipment of bags of the same mark, or of a similar quality, whether in bags or bulk or whether destined to more than one port, no separation or distinction shall be necessary.

(b) All loose collected, damaged goods and sweepings shall be shared by and apportioned pro-rata in kind between the various Receivers thereof at the port of discharge named in the contract, buying under contracts containing this clause. In the event of this not being practicable or any of them receiving more or less than his pro-rata share or apportionment, he shall settle with the other(s) on a pro-rata basis in cash at the market price and each Receiver shall bear his proportion of the depreciation in market value. The pro-rata statement shall be established by the Sellers or their Representatives in conjunction with the Receivers or their Representatives.

(c) The above pro-rata apportionment between Receivers shall have no bearing on the establishment of final invoices with Sellers and for the purpose of these invoices, the total quantity of loose collected, damaged goods and sweepings shall be regarded as delivered to those Receivers who did not receive their full invoiced quantity.

(d) In the case of excess or deficiency, the difference between the invoiced and the total delivered quantity shall be settled at the market price by final invoices to be rendered by Receivers, who have received more or less than that paid for, to their immediate Sellers without taking into consideration the above pro-rata apportionment between Receivers.

(e) If an excess quantity is delivered to one or more Receiver and a deficient quantity is delivered to one or more Receiver, the excess and deficiency shall be settled between them at the market price. Invoices shall be established with immediate Sellers for any balance resulting from this settlement.

(f) All Shippers, Sellers and Buyers of any part of such larger quantity as aforesaid under contracts containing this clause shall be deemed to have entered into mutual agreements with one another to the above effect, and to agree to submit to arbitration all questions and claims between them or any of them in regard to the execution of this clause as aforesaid in accordance with the Arbitration Clause of this contract. Sellers and Buyers shall give all reasonable assistance in execution of this clause. All Sellers shall be responsible for the settlement by the respective Buyers in accordance with this clause within a reasonable time.

(g) The market price wherever mentioned in this clause shall be the market price on the last day of discharge of the vessel in the port of destination, such price to be fixed by arbitration unless mutually agreed.

(h) In the event of this clause being brought into operation, any allowances payable in respect of condition, or quality, or under any of the other guarantees contained in this contract, shall be based upon the actual weight received by the Buyers and not on the pro-rata weight.

(i) In the event of any conflict in terms of apportionment applicable to the port of discharge the method published by Gafta shall, where applicable, take precedence over sub-clauses (b) to (h) above.

(j) In the event that sub-clause (a) applies or that the goods subsequently become co-mingled, and that the goods were shipped by more than one shipper and destined for one or more ports of discharge then, after the adjustment between Receivers under the terms of this clause, the Shippers shall settle pro-rata between themselves in

proportion to their bill of lading quantities.

Such settlements shall be made in cash and in the event of two or more discharging ports being involved, then the settlement price shall be the average of the market prices on the last day of discharge in the respective ports.

24. CIRCLE

Where Sellers re-purchase from their Buyers or from any subsequent buyer the same goods or part thereof, a circle shall be considered to exist as regards the particular goods so re-purchased, and the provisions of the Default Clause shall not apply. (For the purpose of this clause the same goods shall mean goods of the same description, from the same country of origin, of the same quality, and, where applicable, of the same analysis warranty, for shipment to the same port(s) of destination during the same period of shipment). Different currencies shall not invalidate the circle. Subject to the terms of the Prevention of Shipment Clause in the contract, if a circle is established prior to the goods being appropriated to all parties in the circle, settlement shall be based on the mean contract quantity. However, where a circle is established after the goods have been appropriated to all parties in the circle, settlement shall be based on the appropriated quantity. No circle settlement shall apply where documents have been presented to and paid by one of the parties in the circle. Settlement shall be made between the parties in the circle by payment by all Buyers to their Sellers of the excess of the Sellers' invoice amount over the lowest invoice amount in the circle. Payment shall be due not later than 15 consecutive days after the last day for appropriation, or, should the circle not be ascertained before the expiry of this time, then payment shall be due not later than 15 consecutive days after the circle is ascertained. Where the circle includes contracts expressed in different currencies the lowest invoice amount shall be replaced by the market price on the first day for contractual shipment and invoices shall be settled between each Buyer and his Seller in the circle by payment of the differences between the market price and the relative contract price in currency of the contract. All Sellers and Buyers shall give every assistance to ascertain the circle and when a circle shall have been ascertained in accordance with this clause same shall be binding on all parties to the circle. As between Buyers and Sellers in the circle, the non-presentation of documents by Sellers to their Buyers shall not be considered a breach of contract. Should any party in the circle prior to the due date of payment commit any act comprehended in the Insolvency Clause of his contract, settlement by all parties in the circle shall be calculated at the closing out price as provided for in the Insolvency Clause, which shall be taken as a basis for settlement, instead of the lowest invoice amount in the circle. In this event respective Buyers shall make payment to their Sellers or respective Sellers shall make payment to their Buyers of the difference between the closing out price and the contract price.

25. DEFAULT

In default of fulfilment of contract by either party, the following provisions shall apply: -

(a) The party other than the defaulter shall, at their discretion have the right, after serving notice on the defaulter, sell or purchase, as the case may be, against the defaulter, and such sale or purchase shall establish the default price.

(b) If either party be dissatisfied with such default price or if the right at (a) above is not exercised and damages cannot be mutually agreed, then the assessment of damages shall be settled by arbitration.

(c) The damages payable shall be based on, but not limited to, the difference between the contract price and either the default price established under (a) above or upon the actual or estimated value of the goods, on the date of default, established under (b) above.

(d) In no case shall damages include loss of profit on any sub-contracts made by the party defaulted against or others unless the arbitrator(s) or board of appeal, having regard to special circumstances, shall in his/their sole and absolute discretion think fit.

(e) Damages, if any, shall be computed on the quantity appropriated if any but, if no such quantity has been appropriated then on the mean contract quantity, and any option available to either party shall be deemed to have been exercised accordingly in favour of the mean contract quantity.

(f) Sellers may declare themselves in default at any time after expiry of the contract period, and the default date shall then be the first business day after the date of Sellers' advice to their Buyers. If default has not already been declared then (notwithstanding the provisions stated in the Appropriation Clause) if notice of appropriation has not been served by the 5th business day after the last day for appropriation laid down in the contract, the Sellers shall be deemed to be in default, and the default date shall then be the first business day thereafter.

26. INSOLVENCY

26.1 If before the fulfilment of this contract, either party shall:

(a) suspend payments;

(b) notify any of the creditors that he is unable to meet debts or that he has suspended or that he is about to suspend payments of his debts;

(c) convene, call or hold a meeting of creditors;

(d) propose either:

(l) become subject to an interim order under Section 252 of the Insolvency Act 1986; or

(any of which acts being hereinafter called an "**Act of Insolvency**")
then the party committing such Act of Insolvency shall forthwith serve a notice of the occurrence of such Act of Insolvency on the other party to the contract and upon proof (by either the other party to the contract or the office-holder or other person representing the party committing the Act of Insolvency) that such notice was served within 2 business days of the occurrence of the Act of Insolvency, the contract shall be closed out at the market price ruling on the business day following the serving of the notice.

26.2 If such notice has not been served, then the other party, on learning of the occurrence of the Act of Insolvency, shall have the option of declaring the contract closed out at either the market price on the first business day after the date when such party first learnt of the occurrence of the Act of Insolvency or at the market price ruling on the first business day after the date when the Act of Insolvency occurred.

26.3 In all cases the other party to the contract shall have the option of ascertaining the settlement price on the closing out of the contract by re-purchase or re-sale, and the difference between the contract price and the re-purchase or re-sale price shall be the amount payable or receivable under this contract.

27. DOMICILE

This contract shall be construed and take effect in accordance with the laws of England. Except for the purpose of enforcing any award made in pursuance of the Arbitration Clause of this contract, the Courts of England shall have exclusive jurisdiction to determine any application for ancillary relief, (save for obtaining security only for the claim or counter-claim), the exercise of the powers of the Court in relation to the arbitration proceedings and any dispute other than a dispute which shall fall within the jurisdiction of arbitrators or board of appeal of the Association pursuant to the Arbitration Clause of this contract. For the purpose of any legal proceedings each party shall be deemed to be ordinarily resident or carrying on business at the offices of The Grain and Feed Trade Association, (Gafra), England. The service of proceedings upon any such party by leaving the same at the offices of The Grain and Feed Trade Association, together with the posting of a copy of such proceedings to his address outside England, shall be deemed good service, any rule of law or equity to the contrary notwithstanding.

28. ARBITRATION

(a) Any and all disputes arising out of or under this contract or any claim regarding the interpretation or execution of this contract shall be determined by arbitration in accordance with the Gafra Arbitration Rules, No 125, in the edition current at the date of this contract; such Rules are incorporated into and form part of this Contract and both parties hereto shall be deemed to be fully cognisant of and to have expressly agreed to the application of such Rules.

(b) Neither party hereto, nor any persons claiming under either of them shall bring any action or other legal proceedings against the other in respect of any such dispute, or claim until such dispute or claim shall first have been heard and determined by the arbitrator(s) or a board of appeal, as the case may be, in accordance with the Arbitration Rules and it is expressly agreed and declared that the obtaining of an award from the arbitrator(s) or board of appeal, as the case may be, shall be a condition precedent to the right of either party hereto or of any persons claiming under either of them to bring any action or other legal proceedings against the other of them in respect of any such dispute or claim.

(c) Nothing contained under this Arbitration Clause shall prevent the parties from seeking to obtain security in respect of their claim or counterclaim via legal proceedings in any jurisdiction, provided such legal proceedings shall be limited to applying for and/or obtaining security for a claim or counterclaim, it being understood and agreed that the substantive merits of any dispute or claim shall be determined solely by arbitration in accordance with the Gafra Arbitration Rules, No 125.
