48 Each delivery shall be considered a separate contract.

53 involved shall be charged. If such charge is not mutually agreed, a dispute shall be deemed to exist which
54 shall be settled by arbitration. Otherwise interest shall be payable only where specifically provided in the
55 terms of the contract or by an award of arbitration. The terms of this clause do not override the parties'
56 contractual obligation under sub-clause (a).
57

58 **10. FORCE MAJEURE, STRIKES ETC.**

59 Should the execution of this contract or any unfulfilled portion thereof be prevented by strikes, breakdown

62 consecutive days from the occurrence, or not later than 30 consecutive days before the commencement of
63 the delivery period, whichever is later, the time for delivery shall be extended for a period of 30 consecutive
64 days. After the additional period of 30 consecutive days, the contract shall be void for the unfulfilled
65 portion so prevented. Buyers shall have no claim against Sellers for delay or non-fulfilment under this
66 clause, provided that Sellers shall have supplied to Buyers if required, satisfactory evidence to justify the
67 delay or non-fulfilment.
68

69 **11. CIRCLE**

70 Where Sellers re-purchase from their Buyers or from any subsequent buyer the same goods or part thereof,
71 a circle shall be considered to exist as regards the particular goods so re-purchased, and the provisions of
72 the Default Clause shall not apply. (For the purpose of this clause the same goods shall mean goods of the
73 same description, from the same country of origin, of the same quality, and, where applicable, of the same
74 analysis warranty, for shipment to the same port(s) of destination during the same period of shipment).
75 Different currencies shall not invalidate the circle.

76 Subject to the terms of the Force Majeure Clause in the contract, if the goods are not appropriated, or,
77 having been appropriated documents are not presented, invoices based on the mean contract quantity shall
78 be settled by all Buyers and their Sellers in the circle by payment by all Buyers to their Sellers of the excess
79 of the Sellers' invoice amount over the lowest invoice amount in the circle. Payment shall be due not later
80 than 15 consecutive days after the last day for appropriation, or, should the circle not be ascertained before
81 the expiry of this time, then payment shall be due not later than 15 consecutive days after the circle is
82 ascertained.

83 Where the circle includes contracts expressed in different currencies the lowest invoice amount shall be
84 replaced by the market price on the first day for contractual shipment and invoices shall be settled between
85 each Buyer and his Seller in the circle by payment of the differences between the market price and the
86 relative contract price in currency of the contract.

87 All Sellers and Buyers shall give every assistance to ascertain the circle and when a circle shall have been
88 ascertained in accordance with this clause same shall be binding on all parties to the circle. As between
89 Buyers and Sellers in the circle, the non presentation of documents by Sellers to their Buyers shall not be
90 considered a breach of contract. Should any party in the circle prior to the due date of payment commit any
91 act comprehended in the Insolvency Clause of his contract, settlement by all parties in the circle shall be
92 calculated at the closing out price as provided for in the Insolvency Clause, which shall be taken as a basis
93 for settlement, instead of the lowest invoice amount in the circle. In this event respective Buyers shall make
94 payment to their Sellers or respective Sellers shall make payment to their Buyers of the difference between
95 the closing out price and the contract price.
