The parties shall appoint superintendents, for the purposes of supervision and sampling of the goods, from the GAFTA Register of Superintendents. Unless otherwise agreed, analysts shall be appointed from the GAFTA Register of Analysts.

18. PREVENTION OF SHIPMENT

"Event of Force Majeure" means (a) prohibition of export or other executive or legislative act done by or on behalf of the government of the country of origin or of the territory where the port or ports named herein is/are situate, restricting export, whether partially or otherwise, or (b) blockade, or (c) acts of terrorism, or (d) hostilities, or (e) strike, lockout or combination of workmen, or (f) riot or civil commotion, or (g) breakdown of machinery, or (h) fire, or (i) ice, or (j) Act of God, or (k) unforeseeable and unavoidable impediments to transportation or navigation, or (l) any other event comprehended in the term "force majeure".

Should Sellers' performance of this contract be prevented, whether partially or otherwise, by an Event of Force Majeure, the performance of this contract shall be suspended for the duration of the Event of Force Majeure, provided that Sellers shall have served a notice on Buyers within 7 consecutive days of the occurrence or not later than 21 consecutive days before commencement of the shipment period, whichever is later, with the reasons therefor.

If the Event of Force Majeure continues for 21 consecutive days after the end of the shipment period, then Buyers have the option to cancel the unfulfilled part of the contract by serving a notice on Sellers not later than the first business day after expiry of the 21 day period.

If this option to cancel is not exercised then the contract shall remain in force for an additional period of 14 consecutive days, after which, if the Event of Force Majeure has not ceased, any unfulfilled part of the contract shall be automatically cancelled.

If the Event of Force Majeure ceases before the contract or any unfulfilled part thereof can be cancelled, Sellers shall notify Buyers without delay that the Event of Force Majeure has ceased. Sellers shall be entitled, from the cessation, to as much time as was left for shipment under the contract prior to the occurrence of the Event of Force Majeure. If the time that was left for shipment under the contract is 14 days or less, a period of 14 consecutive days shall be allowed.

The burden of proof lies upon Sellers and the parties shall have no liability to each other for delay and/or non-fulfilment under this clause, provided that Sellers shall have provided to Buyers, if required, satisfactory evidence justifying the delay or non-fulfilment.

19. PRO RATA

Pro-rata arrangements shall be in accordance with the Regulations applicable in Denmark, published by DAKOFO and GAFTA in the edition current at the time of discharge.

20. CIRCLE

Where Sellers re-purchase from their Buyers or from any subsequent Buyer the same goods or part thereof, a circle shall be considered to exist as regards the particular goods so re-purchased, and the provisions of the Default Clause shall not apply. (For the purpose of this clause the same goods shall mean goods of the same description, from the same country of origin, of the same quality, and, where applicable, of the same analysis warranty, for shipment to the same port(s) of destination during the same period of shipment). Different currencies shall not invalidate the circle.

298 Subject to the terms of the Prevention of Shipment Clause in the contract, if the goods are not appropriated, or,
299 having been appropriated documents are not presented, invoices based on the mean contract quantity shall be
300 settled by all Buyers and their Sellers in the circle by payment by all Buyers to their Sellers of the excess of the
301 Sellers' invoice amount over the lowest invoice amount in the circle. Payment shall be due not later than 15
302 consecutive days after the last day for appropriation, or, should the circle not be ascertained before the expiry of this
303 time, then payment shall be due not later than 15 consecutive days after the circle is ascertained.

304 Where the circle includes contracts expressed in different currencies the lowest invoice amount shall be replaced by
305 the market price on the first day for contractual shipment and invoices shall be settled between each Buyer and his
306 Seller in the circle by payment of the differences between the market price and the relative contract price in
307 currency of the contract.

308 All Sellers and Buyers shall give every assistance to ascertain the circle and when a circle shall have been
309 ascertained in accordance with this clause same shall be binding on all parties to the circle. As between Buyers and
310 Sellers in the circle, the non-presentation of documents by Sellers to their Buyers shall not be considered a breach of
311 contract. Should any party in the circle prior to the due date of payment commit any act comprehended in the
312 Insolvency Clause of this contract, settlement by all parties in the circle shall be calculated at the closing out price as
313 provided for in the Insolvency Clause, which shall be taken as a basis for settlement, instead of the lowest invoice
314 amount in the circle. In this event respective Buyers shall make payment to their Sellers or respective Sellers shall
315 make payment to their Buyers of the difference between the closing out price and the contract price.

316 **21. NOTICES**

317 All notices required to be served on the parties pursuant to this contract shall be served rapidly in legible form.
318 Methods of rapid communication for the purposes of this clause are defined and mutually recognised as: - either
319 telex, or letter if delivered by hand on the date of writing, or telefax, or E-mail, or other electronic means, always
320 subject to the proviso that if receipt of any notice is contested, the burden of proof of transmission shall be on the
321 sender who shall, in the case of a dispute, establish, to the satisfaction of the arbitrator(s) or board of appeal
322 appointed pursuant to the Arbitration Clause, that the notice was actually transmitted to the addressee. In case of
323 resales/repurchases all notices shall be served without delay by sellers on their respective buyers or vice versa, and
324 any notice received after 1600 hours on a business day shall be deemed to have been received on the business day
325 following. A notice to the Brokers or Agent shall be deemed a notice under this contract.

326 **22. NON-BUSINESS DAYS**

327 Saturdays, Sundays and the officially recognised and/or legal holidays of the respective countries and any days,
328 which GAFTA may declare as non-business days for specific purposes, shall be non-business days. Should the time
329 limit for doing any act or serving any notice expire on a non-business day, the time so limited shall be extended until
330 the first business day thereafter. The period of shipment shall not be affected by this clause.

331 **23. DEFAULT**

332 In default of fulfilment of contract by either party, the following provisions shall apply:-

333 (a) The party other than the defaulter shall, at their discretion have the right, after serving notice on the defaulter, to
334 sell or purchase, as the case may be, against the defaulter, and such sale or purchase shall establish the default price.

335 (b) If either party be dissatisfied with such default price or if the right at (a) above is not exercised and damages
336 cannot be mutually agreed, then the assessment of damages shall be settled by arbitration.

337 (c) The damages payable shall be based on, but not limited to, the difference between the contract price and either
338 the default price established under (a) above or upon the actual or estimated value of the goods, on the date of
339 default, established under (b) above.

340 (d) In no case shall damages include loss of profit on any sub-contracts made by the party defaulted against or
341 others unless the arbitrator(s) or board of appeal, having regard to special circumstances, shall in his/their sole and
342 absolute discretion think fit.

343 (e) Damages, if any, shall be computed on the quantity appropriated if any, but if no such quantity has been
344 appropriated then on the mean contract quantity and any option available to either party shall be deemed to have
345 been exercised accordingly in favour of the mean contract quantity.

346 (f) Default may be declared by Sellers at any time after expiry of the contract period, and the default date shall then
347 be the first business day after the date of Sellers' advice to their Buyers. If default has not already been declared then
348 (notwithstanding the provisions stated in the Appropriation Clause) if notice of appropriation has not been served
349 by the 10th consecutive day after the last day for appropriation laid down in the contract, the Sellers shall be
350 deemed to be in default, and the default date shall then be the first business day thereafter.

351 **24. INSOLVENCY**

352 If before the fulfilment of this contract, either party shall suspend payments, notify any of the creditors that he is
353 unable to meet debts or that he has suspended or that he is about to suspend payments of his debts, convene, call or
