207 not be responsible.

208 (c) Insurable Value - Insured amount to be for not less than 2% over the invoice amount, including freight

210 amount of any War Risk premium payable by Buyers.

211 (d) Freight Contingency - When freight is payable on arrival or on right and true delivery of the goods and the
212 insurance does not include the freight, Sellers shall effect insurance upon similar terms, such insurance to
213 attach only as such freight becomes payable, for the amount of the freight plus 2%, until the termination of the
214 risk as provided in the above mentioned clauses, and shall undertake that their policies are so worded that in
215 the case of particular or general average claim the Buyers shall be put in the same position as if the c.i.f. value
216 plus 2% were insured from the time of shipment.

217 (e) Certificates/Policies - Sellers shall give all policies and/or certificates and/or letters of insurance provided

231 possible, with the Provisional Invoice, but in no case later than the date of vessel's arrival, or not later than 7
232 consecutive days after the rate has been agreed with underwriters, whichever may be the later, otherwise

20 PREVENTION OF SHIPMENT

"Event of Force Majeure" means (a) prohibition of export or other executive or legislative act done by or on behalf of the government of the country of origin or of the territory where the port or ports named herein is/are situate, restricting export, whether partially or otherwise, or (b) blockade, or (c) acts of terrorism, or (d) hostilities, or (e) strike, lockout or combination of workmen, or (f) riot or civil commotion, or (g) breakdown of machinery, or (h) fire, or (i) ice, or (j) Act of God, or (k) unforeseeable and unavoidable impediments to transportation or navigation, or (l) any other event comprehended in the term "force majeure".

Should Sellers' performance of this contract be prevented, whether partially or otherwise, by an Event of Force Majeure, the performance of this contract shall be suspended for the duration of the Event of Force Majeure, provided that Sellers shall have served a notice on Buyers within 7 consecutive days of the occurrence or not later than 21 consecutive days before commencement of the shipment period, whichever is later, with the reasons therefor.

If the Event of Force Majeure continues for 21 consecutive days after the end of the shipment period, then Buyers have the option to cancel the unfulfilled part of the contract by serving a notice on Sellers not later than the first business day after expiry of the 21 day period.

If this option to cancel is not exercised then the contract shall remain in force for an additional period of 14 consecutive days, after which, if the Event of Force Majeure has not ceased, any unfulfilled part of the contract shall be automatically cancelled.

If the Event of Force Majeure ceases before the contract or any unfulfilled part thereof can be cancelled, Sellers shall notify Buyers without delay that the Event of Force Majeure has ceased. Sellers shall be entitled, from the cessation, to as much time as was left for shipment under the contract prior to the occurrence of the Event of Force Majeure. If the time that was left for shipment under the contract is 14 days or less, a period of 14 consecutive days shall be allowed.

The burden of proof lies upon Sellers and the parties shall have no liability to each other for delay and/or non-fulfilment under this clause, provided that Sellers shall have provided to Buyers, if required, satisfactory evidence justifying the delay or non-fulfilment.

21 CIRCLE

Where Sellers re-purchase from their Buyers or from any subsequent buyer the same goods or part thereof, a circle shall be considered to exist as regards the particular goods so re-purchased, and the provisions of the Default Clause shall not apply. (For the purpose of this clause the same goods shall mean goods of the same description, from the same country of origin, of the same quality, and, where applicable, of the same analysis warranty, for shipment to the same port(s) of destination during the same period of shipment). Different currencies shall not invalidate the circle. Subject to the terms of the Prevention of Shipment Clause in the contract, if a circle is established prior to the goods being appropriated to all parties in the circle, settlement shall be based on the mean contract quantity. However, where a circle is established after the goods have been appropriated to all parties in the circle, settlement shall be based on the appropriated quantity. No circle settlement shall apply where documents have been presented to and paid by one of the parties in the circle. Settlement shall be made between the parties in the circle by payment by all Buyers to their Sellers of the excess of the Sellers' invoice amount over the lowest invoice amount in the circle. Payment shall be due not later than 15 consecutive days after the last day for appropriation, or, should the circle not be ascertained before the expiry of this time, then payment shall be due not later than 15 consecutive days after the circle is ascertained. Where the circle includes contracts expressed in different currencies the lowest invoice amount shall be replaced by the market price on the first day for contractual

shipment and invoices shall be settled between each Buyer and his Seller in the circle by payment of the differences between the market price and the relative contract price in currency of the contract. All Sellers and Buyers shall give every assistance to ascertain the circle and when a circle shall have been ascertained in accordance with this clause same shall be binding on all parties to the circle. As between Buyers and Sellers in the circle, the non-presentation of documents by Sellers to their Buyers shall not be considered a breach of contract. Should any party in the circle prior to the due date of payment commit any act comprehended in the Insolvency Clause of his contract, settlement by all parties in the circle shall be calculated at the closing out price as provided for in the Insolvency Clause, which shall be taken as a basis for settlement, instead of the lowest invoice amount in the circle. In this event respective Buyers shall make payment to their Sellers or respective Sellers shall make payment to their Buyers of the difference between the closing out price and the contract price.

22 NOTICES

(a) All notices required to be served on the parties pursuant to this contract shall be served in legible form by E-mail, or by other mutually recognised electronic method of rapid communication, always subject to the provision that if receipt of any notice is contested, the burden of proof of transmission shall be on the sender who shall, in the case of a dispute, establish, to the satisfaction of the arbitrator(s) or board of appeal appointed pursuant to the Arbitration Clause, that the notice was actually transmitted to the addressee.

(b) In case of resales/repurchases, all notices shall be served without delay by sellers on their respective buyers or vice versa, and any notice received after 1600 hours on a business day shall be deemed, for the purpose of passing onto their sub buyers and sub sellers, to have been received on the business day following.

(c) A notice to the Brokers or Agent shall be deemed a notice under this contract.

23 NON-BUSINESS DAYS

Saturdays, Sundays and the officially recognised and/or legal holidays of the respective countries and any days, which GAFTA may declare as non-business days for specific purposes, shall be non-business days. Should the time limit for doing any act or serving any notice expire on a non-business day, the time so limited shall be extended until the first business day thereafter. The period of shipment shall not be affected by this clause.

24 DEFAULT

In default of fulfilment of contract by either party, the following provisions shall apply: -

(a) The party other than the defaulter shall, at their discretion have the right, after serving notice on the defaulter, to sell or purchase, as the case may be, against the defaulter, and such sale or purchase shall establish the default price.

(b) If either party be dissatisfied with such default price or if the right at (a) above is not exercised and damages cannot be mutually agreed, then the assessment of damages shall be settled by arbitration.

(c) The damages payable shall be based on, but not limited to, the difference between the contract price and either the default price established under (a) above or upon the actual or estimated value of the goods, on the date of default, established under (b) above.

(d) In no case shall damages include loss of profit on any sub-contracts made by the party defaulted against or others unless the arbitrator(s) or board of appeal, having regard to special circumstances, shall in his/their sole and absolute discretion think fit.

(e) Damages, if any, shall be computed on the quantity appropriated if any but, if no such quantity has been appropriated then on the mean contract quantity, and any option available to either party shall be deemed to have been exercised accordingly in favour of the mean contract quantity.

(f) Default may be declared by Sellers at any time after expiry of the contract period, and the default date shall then be the first business day after the date of Sellers' advice to their Buyers. If default has not already been declared then (notwithstanding the provisions stated in the Appropriation Clause) if notice of appropriation has not been served by the 10th consecutive day after the last day for appropriation laid down in the contract, the Sellers shall be deemed to be in default and the default date shall then be the first business day thereafter.

25 INSOLVENCY

(b) notify any of the creditors that he is unable to meet debts or that he has suspended or that he is about to suspend payments of his debts;

(any of which acts being hereinafter called an "**Act of Insolvency**")

then the party committing such Act of Insolvency shall forthwith serve a notice of the occurrence of such Act of Insolvency on the other party to the contract and upon proof (by either the other party to the contract or the office-holder or other person representing the party committing the Act of Insolvency) that such notice was served within 2 business days of the occurrence of the Act of Insolvency, the contract shall be closed out at the market price ruling on the business day following the serving of the notice.

25.2 If such notice has not been served, then the other party, on learning of the occurrence of the Act of Insolvency, shall have the option of declaring the contract closed out at either the market price on the first business day after the date when such party first learnt of the occurrence of the Act of Insolvency or at the market price ruling on the first business day after the date when the Act of Insolvency occurred.

25.3 In all cases the other party to the contract shall have the option of ascertaining the settlement price on the closing out of the contract by re-purchase or re-sale, and the difference between the contract price and the re-purchase or re-sale price shall be the amount payable or receivable under this contract.

26 DOMICILE

This contract shall be deemed to have been made in England and to be performed in England, notwithstanding any contrary provision, and this contract shall be construed and take effect in accordance with the laws of England. (b) Neither party hereto, nor any persons claiming under either of them shall bring any action or other legal proceedings against the other in respect of any such dispute, or claim until such dispute or claim shall first have been heard and determined by the arbitrator(s) or a board of appeal, as the case may be, in accordance with the Arbitration Rules and it is expressly agreed and declared that the obtaining of an award from the arbitrator(s) or board of appeal, as the case may be, shall be a condition precedent to the right of either party hereto or of any persons claiming under either of them to bring any action or other legal proceedings against the other of them in respect of any such dispute or claim.
