

Sustainability Pledge – ESG Stories Template

Gafta invites you to provide evidence of your sustainability achievements. Submissions may reflect initiatives at either a **global** or **entity level**.

We welcome case studies across a range of sustainability areas, please ensure when completing the document you address the following:

- The “What and How” of your efforts
- Impact / key data – scope of achievement from start point, to date and onward aims
- Any industry scheme / framework alignment
- Why it matters to the industry
- How it relates to Gafta and the Sustainability Pledge
- SDG alignment

Please limit responses to ~300–350 words per case study. GAFTA may edit for consistency and comparability.

You are encouraged to send supporting materials, such as: Company logos, Images or Photos, or Infographics. Please submit all materials to: sustainabilitypledge@gafta.com
