The bill(s) of lading to be dated when the goods are actually on board. Date of the bill(s) of lading shall be accepted as proof of date of shipment in the absence of evidence to the contrary. **11. EXTENSION OF SHIPMENT**

The contract period for shipment, if such be 31 days or less, shall be extended by an additional period of not more than 8 days, provided that Sellers serve notice claiming extension not later than the next business day following the last day of the originally stipulated period. The notice need not state the number of additional days claimed.

Sellers shall make an allowance to Buyers, to be deducted in the invoice from the contract price, based on the number of days by which the originally stipulated period is exceeded, in accordance with the following scale: -

- 1 to 4 additional days, 0.50%;
- 5 or 6 additional days, 1%;
- 7 or 8 additional days 1.50% of the gross contract price.

If, however, after having served notice to Buyers as above, Sellers fail to make shipment within such 8 days, then the contract shall be deemed to have called for shipment during the originally stipulated period plus 8 days, at contract price less 1.50%, and any settlement for default shall be calculated on that basis. If any allowance becomes due under this clause, the contract price shall be deemed to be the original contract price less the allowance and any other contractual differences shall be settled on the basis of such reduced price.

**12. APPROPRIATION**

(a) Notice of appropriation shall state the vessel's name, the presumed weight shipped, and the date or the presumed date of the bill of lading.

(b) The notice of appropriation shall within 8 consecutive days from the date of the last bill(s) of lading be served by or on behalf of the Shipper direct on his Buyers or on the Selling Agent or Brokers named in the contract. The Non-Business Days Clause shall not apply.

(c) Notice of appropriation shall, within the period stated in sub-clause (b) be served by or on behalf of subsequent Sellers on their Buyers or on the Selling Agent or Brokers named in the contract, but if notice of appropriation is received by subsequent Sellers on the last day or after the period stated in sub-clause (b) from the date of the last bill of lading, their notice of appropriation shall be deemed to be in time if served: -

- (1) On the same calendar day, if received not later than 1600 hours on any business day, or
- (2) Not later than 1600 hours on the next business day, if received after 1600 hours or on a non-business day.

(d) A notice of appropriation served on a Selling Agent or Brokers named in the contract shall be considered an appropriation served on Buyers. A Selling Agent or Brokers receiving a notice of appropriation shall serve like notice of appropriation in accordance with the provisions of this clause. Where the Shipper or

subsequent Sellers serves the notice of appropriation on the Selling Agent, such Selling Agent may serve notice of appropriation either direct to the Buyers or to the Brokers.

(e) The bill of lading date stated in the notice of appropriation shall be for information only and shall not be binding, but in fixing the period laid down by this clause for serving notices of appropriation the actual date of the bill of lading shall prevail.

(f) Every notice of appropriation shall be open to correction of any errors occurring in transmission, provided that the sender is not responsible for such errors, and for any previous error in transmission which has been repeated in good faith.

(g) Should the vessel arrive before receipt of the appropriation and any extra expenses are incurred thereby, such expenses shall be borne by Sellers.

(h) When a valid notice of appropriation has been received by Buyers, it shall not be withdrawn except with their consent.

(i) In the event of less than 95 tonnes being tendered by any one vessel Buyers shall be entitled to refund of any proved extra expenses for sampling, analysis and lighterage incurred thereby at port of discharge.

Buyers agree to accept documents containing the Chamber of Shipping War Deviation Clause and/or other recognised official War Risk Clause.

(c) In the event of shipping documents not being available when called for by Buyers, or on arrival of the vessel at destination, Sellers shall provide other documents or an indemnity entitling Buyers to obtain delivery of the goods and payment shall be made by Buyers in exchange for same, but such payment shall not prejudice Buyers' rights under the contract when shipping documents are eventually available.

(d) Should Sellers fail to present shipping documents or other documents or an indemnity entitling Buyers to take delivery, Buyers shall take delivery under an indemnity provided by themselves and shall pay for the other documents when presented. Any reasonable extra expenses, including the costs of such indemnity or extra charges incurred by reason of the failure of Sellers to provide such documents, shall be borne by Sellers, but such payment shall not prejudice Buyers' rights under the contract when shipping documents are eventually available.

(e) Should shipping documents be presented with an incomplete set of bill(s) of lading or should other shipping documents be missing, payment shall be made provided that delivery of such missing documents is guaranteed, such guarantee to be countersigned, if required by Buyers, by a recognised bank.

(f) Costs of collection shall be for account of Sellers, but if Buyers demand presentation only through a bank of their choice, in that event any additional collection costs shall be borne by Buyers.

(g) No obvious clerical error in the documents shall entitle Buyers to reject them or delay payment, but Sellers shall be responsible for all loss or expense caused to Buyers by reason of such error and Sellers shall on request furnish an approved guarantee in respect thereto.

(h) **Interest.** If there has been unreasonable delay in any payment, interest appropriate to the currency involved shall be charged. If such charge is not mutually agreed, a dispute shall be deemed to exist which shall be settled by arbitration. Otherwise interest shall be payable only where specifically provided in the terms of the contract or by an award of arbitration. The terms of this clause do not override the parties' contractual obligation under sub-clause (a).

The cost of discharge from hold to ship's rail shall be for Sellers' account, from ship's rail overboard for Buyers' account.

If shipment is effected by lash barge, then the last day of discharge shall be the day of discharging the last lash barge at the port of destination.

**16. WEIGHING**

The terms and conditions of GAFTA Weighing Rules No. 123 are deemed to be incorporated into this contract. Unless otherwise agreed, final settlement shall be made on the basis of gross delivered weights at time and place of discharge at Buyers' expense. If the place of destination is outside the port limits, Buyers agree to pay the extra expenses incurred by Sellers or their agents for weighing. No payment shall be made for increase in weight occasioned by water and/or oil during the voyage. If final at time and place of loading, as per GAFTA registered superintendents' certificate at Sellers' choice and expense, (in which case the deficiency clause will not apply).

**17. DEFICIENCY**

Any deficiency in the bill of lading weight shall be paid for by Sellers and any excess over bill of lading weight shall be paid for by Buyers at contract price.

**18. SAMPLING, ANALYSIS AND CERTIFICATES OF ANALYSIS**

The parties shall appoint superintendents, for the purposes of supervision and sampling of the goods, from the GAFTA Register of Superintendents. Unless otherwise agreed, analysts shall be appointed from the GAFTA Register of Analysts.

**19. FUMIGATION**

Where fumigation has been agreed, the terms and conditions of GAFTA Fumigation Rules No. 132 shall be incorporated into this contract.

**20. INSURANCE**

**20.1 For Contracts Concluded on CIF/CIFFO terms** Sellers shall provide insurance on terms not less favourable than those set out hereunder, and as set out in detail in GAFTA Insurance Terms No.72 viz.:-

(a) Risks Covered: -

- Cargo Clauses (WA) with average payable, with 3% franchise or better terms - Section 2 of Form 72
- War Clauses (Cargo) - Section 4 of Form 72
- Strikes, Riots and Civil Commotions Clauses (Cargo) - Section 5 of Form 72
- Australian, Canadian, South African and United States of America Acts - Section 6 of Form 72

(b) Insurers - The insurance to be effected with first class underwriters and/or companies who are domiciled or carrying on business in the United Kingdom or who, for the purpose of any legal proceedings, accept a British domicile and provide an address for service of process in London, but for whose solvency Sellers shall not be responsible.

(c) Insurable Value - Insured amount to be for not less than 2% over the invoice amount, including freight when freight is payable on shipment or due in any event, ship and/or cargo lost or not lost, and including the amount of any War Risk premium payable by Buyers.

(d) Freight Contingency - When freight is payable on arrival or on right and true delivery of the goods and the insurance does not include the freight, Sellers shall effect insurance upon similar terms, such insurance to attach only as such freight becomes payable, for the amount of the freight plus 2%, until the termination of the risk as provided in the above mentioned clauses, and shall undertake that their policies are so worded that in the case of a particular or general average claim the Buyers shall be put in the same position as if the C.I.F. value plus 2% were insured from the time of shipment.

230 (e) Certificates/Policies - Sellers shall give all policies and/or certificates and/or letters of insurance provided for  
231 in this contract, (duly stamped if applicable) for original and increased value (if any) for the value stipulated  
232 in (c) above. In the event of a certificate of insurance being supplied, it is agreed that such certificate shall be  
233 exchanged by Sellers for a policy if and when required and such certificate shall state on its face that it is so  
234 exchangeable. If required by Buyers, letter(s) of insurance shall be guaranteed by a recognised Bank, or by  
235 any other guarantor who is acceptable to Buyers.

236 (f) Total Loss - In the event of total or constructive total loss, or where the amount of the insurance becomes  
237 payable in full, the insured amount in excess of 2% over the invoice amount shall be for Sellers' account and  
238 the party in possession of the policy (ies) shall collect the amount of insurance and shall thereupon settle with  
239 the other party on that basis.

240 (g) Currency of Claims - Claims to be paid in the currency of the contract.

241 (h) War and Strike Risks Premiums - Any premium in excess of 0.50% to be for account of Buyers. The rate of such  
242 insurance not to exceed the rate ruling in London at time of shipment or date of vessel's sailing whichever  
243 may be adopted by underwriters. Such excess premium shall be claimed from Buyers, wherever possible,  
244 with the Provisional Invoice, but in no case later than the date of vessel's arrival, or not later than 7  
245 consecutive days after the rate has been agreed with underwriters, whichever may be the later, otherwise  
246 such claim shall be void unless, in the opinion of Arbitrators, the delay is justifiable. Sellers' obligation to  
247 provide War Risk Insurance shall be limited to the terms and conditions in force and generally obtainable in  
248 London at time of shipment.

249 (i) Where Sellers are responsible for allowances or other payments to Buyers under the contractual terms,  
250 (and which risks are also covered by the insurance provided by Sellers), the Buyers, on receipt of settlement,  
251 shall immediately return to Sellers the insurance documents originally received from them and shall, if  
252 required, subrogate to Sellers all right of claim against the Insurers in respect of such matters.

253 **20.2 For Contracts Concluded on C & F/C&FFO terms** Buyers shall be responsible for obtaining  
254 insurance cover as per Clause 20.1 above and shall, if required by Sellers, provide evidence to Sellers  
255 prior to the commencement of loading that they have obtained suitable cover. If Buyers refuse or fail  
256 to provide evidence Sellers are entitled (but not obliged) to cover insurance on the same terms at the  
257 Buyers' expense.

## 258 21. PREVENTION OF SHIPMENT

260 "Event of Force Majeure" means (a) prohibition of export or other executive or legislative act done by or on  
261 behalf of the government of the country of origin or of the territory where the port or ports named herein  
262 is/are situate, restricting export, whether partially or otherwise, or (b) blockade, or (c) acts of terrorism, or  
263 (d) hostilities, or (e) strike, lockout or combination of workmen, or (f) riot or civil commotion, or (g)  
264 breakdown of machinery, or (h) fire, or (i) ice, or (j) Act of God, or (k) unforeseeable and unavoidable  
265 impediments to transportation or navigation, or (l) any other event comprehended in the term "force  
266 majeure".

267  
268 Should Sellers' performance of this contract be prevented, whether partially or otherwise, by an Event of  
269 Force Majeure, the performance of this contract shall be suspended for the duration of the Event of Force  
270 Majeure, provided that Sellers shall have served a notice on Buyers within 7 consecutive days of the  
271 occurrence or not later than 21 consecutive days before commencement of the shipment period, whichever  
272 is later, with the reasons therefor.

273  
274 If the Event of Force Majeure continues for 21 consecutive days after the end of the shipment period, then  
275 Buyers have the option to cancel the unfulfilled part of the contract by serving a notice on Sellers not later  
276 than the first business day after expiry of the 21 day period.

277  
278 If this option to cancel is not exercised then the contract shall remain in force for an additional period of 14  
279 consecutive days, after which, if the Event of Force Majeure has not ceased, any unfulfilled part of the  
280 contract shall be automatically cancelled.

281  
282 If the Event of Force Majeure ceases before the contract or any unfulfilled part thereof can be cancelled,  
283 Sellers shall notify Buyers without delay that the Event of Force Majeure has ceased. Sellers shall be  
284 entitled, from the cessation, to as much time as was left for shipment under the contract prior to the  
285 occurrence of the Event of Force Majeure. If the time that was left for shipment under the contract is 14  
286 days or less, a period of 14 consecutive days shall be allowed.

287  
288 The burden of proof lies upon Sellers and the parties shall have no liability to each other for delay and/or  
289 non-fulfilment under this clause, provided that Sellers shall have provided to Buyers, if required,  
290 satisfactory evidence justifying the delay or non-fulfilment.

**22. CIRCLE**

Where Sellers re-purchase from their Buyers or from any subsequent buyer the same goods or part thereof, a circle shall be considered to exist as regards the particular goods so re-purchased, and the provisions of the Default Clause shall not apply. (For the purpose of this clause the same goods shall mean goods of the same description, from the same country of origin, of the same quality, and, where applicable, of the same analysis warranty, for shipment to the same port(s) of destination during the same period of shipment). Different currencies shall not invalidate the circle. Subject to the terms of the Prevention of Shipment Clause in the contract, if a circle is established prior to the goods being appropriated to all parties in the circle, settlement shall be based on the mean contract quantity. However, where a circle is established after the goods have been appropriated to all parties in the circle, settlement shall be based on the appropriated quantity. No circle settlement shall apply where documents have been presented to and paid by one of the parties in the circle. Settlement shall be made between the parties in the circle by payment by all Buyers to their Sellers of the excess of the Sellers' invoice amount over the lowest invoice amount in the circle. Payment shall be due not later than 15 consecutive days after the last day for appropriation, or, should the circle not be ascertained before the expiry of this time, then payment shall be due not later than 15 consecutive days after the circle is ascertained. Where the circle includes contracts expressed in different currencies the lowest invoice amount shall be replaced by the market price on the first day for contractual shipment and invoices shall be settled between each Buyer and his Seller in the circle by payment of the differences between the market price and the relative contract price in currency of the contract. All Sellers and Buyers shall give every assistance to ascertain the circle and when a circle shall have been ascertained in accordance with this clause same shall be binding on all parties to the circle. As between Buyers and Sellers in the circle, the non-presentation of documents by Sellers to their Buyers shall not be considered a breach of contract. Should any party in the circle prior to the due date of payment commit any act comprehended in the Insolvency Clause of his contract, settlement by all parties in the circle shall be calculated at the closing out price as provided for in the Insolvency Clause, which shall be taken as a basis for settlement, instead of the lowest invoice amount in the circle. In this event respective Buyers shall make payment to their Sellers or respective Sellers shall make payment to their Buyers of the difference between the closing out price and the contract price.

**23. NOTICES**

All notices required to be served on the parties pursuant to this contract shall be served rapidly in legible form. Methods of rapid communication for the purposes of this clause are defined and mutually recognised as: - either telex, or letter if delivered by hand on the date of writing, or telefax, or E-mail, or other electronic means, always subject to the proviso that if receipt of any notice is contested, the burden of proof of transmission shall be on the sender who shall, in the case of a dispute, establish, to the satisfaction of the arbitrator(s) or board of appeal appointed pursuant to the Arbitration Clause, that the notice was actually transmitted to the addressee. In case of resales/repurchases all notices shall be served without delay by sellers on their respective buyers or vice versa, and any notice received after 1600 hours on a business day shall be deemed to have been received on the business day following. A notice to the Brokers or Agent shall be deemed a notice under this contract.

**24. NON-BUSINESS DAYS**

Saturdays, Sundays and the officially recognised and/or legal holidays of the respective countries and any days, which GAFTA may declare as non-business days for specific purposes, shall be non-business days. Should the time limit for doing any act or serving any notice expire on a non-business day, the time so limited shall be extended until the first business day thereafter. The period of shipment shall not be affected by this clause.

**25. DEFAULT**

In default of fulfilment of contract by either party, the following provisions shall apply: -  
(a) The party other than the defaulter shall, at their discretion have the right, after serving a notice on the defaulter to sell or purchase, as the case may be, against the defaulter, and such sale or purchase shall establish the default price.  
(b) If either party be dissatisfied with such default price or if the right at (a) above is not exercised and damages cannot be mutually agreed, then the assessment of damages shall be settled by arbitration.  
(c) The damages payable shall be based on, but not limited to, the difference between the contract price and either the default price established under (a) above or upon the actual or estimated value of the goods, on the date of default, established under (b) above.

352 (d) In no case shall damages include loss of profit on any sub-contracts made by the party defaulted against or  
353 others unless the arbitrator(s) or board of appeal, having regard to special circumstances, shall in his/their  
354 sole and absolute discretion think fit.

355 (e) Damages, if any, shall be computed on the quantity appropriated if any but, if no such quantity has been  
356 appropriated then on the mean contract quantity, and any option available to either party shall be deemed to  
357 have been exercised accordingly in favour of the mean contract quantity.

358 (f) Default may be declared by Sellers at any time after expiry of the contract period, and the default date shall  
359 then be the first business day after the date of Sellers' advice to their Buyers. If default has not already been  
360 declared then (notwithstanding the provisions stated in the Appropriation Clause) if notice of appropriation  
361 has not been served by the 10th consecutive day after the last day for appropriation laid down in the contract,  
362 the Sellers shall be deemed to be in default, and the default date shall then be the first business day thereafter.

## 364 26. **INSOLVENCY**

365 26.1 If before the fulfilment of this contract, either party shall:

366 (a) suspend payments;

367 (b) notify any of the creditors that he is unable to meet debts or that he has suspended or that he is about to  
368 suspend payments of his debts;

369 (c) convene, call or hold a meeting of creditors;

370 (d) propose either:

371 (i) a voluntary arrangement; or

372 (ii) a restructuring plan under Part 26A Companies Act 2006;

373 (e) be subject to a moratorium pursuant to Part A1 of the Insolvency Act 1986;

374 (f) be subject to either:

375 (i) a notice of intention to appoint an administrator; or

376 (ii) a notice of appointment of an administrator;
